

34th ANNUAL

20 Shin's Southern U.S.A. Open 09 Tae Kwon Do Championships

Saturday, September 26th

I am very excited to announce the 34th Annual Shin's Southern USA Open Tae Kwon Do Championships to be held on September 26, 2009 here in Music City, U.S.A! As always, this event is the one that best supports the true virtues of martial arts. Our competitors, especially the children, leave this tournament with more confidence and understanding of the spirit that Tae Kwon Do upholds. That is the reason we give big, sparkling, beautiful trophies (not medals) that are known to be the best of all competitions. All our Black Belt judges are more than fair and we truly respect their integrity. I want to thank all parents and martial artists for supporting this tournament and the growth in this country of martial arts. There will be many divisions, including some newly added ones, to ensure evenly matched levels of competition and more opportunities for success. Grand Championship trophies will be awarded in both forms and sparring.

BE SURE TO JOIN US IN THE CELEBRATION OF MY 34th ANNUAL TOURNAMENT! You will be glad you did!
